Re: Appeal of Commitment of Adjustment for Henning Ind. School District #545 &  
Freshwater Education District #6004

To Whom It May Concern:

Freshwater Education District is appealing USAC's decision of denial on the appeal of Henning District #545, Application Form 471 #467125; Funding Request #1284645; Fiscal Year - 2005.

With reviewing Forms 470 and 471, we found a clerical error on Form 470, Items 6.a -6.e – Contact Person's Name/Information.

USAC suggested the FCC appeal process, with a telephone conversation of explanation, to clear the matter up.

On the Form 470, Dave Skoegen SES Consultant for Freshwater entered his contact information, in error. The contact information should have been: Superintendent Deb Wanek, 500 School Ave, Henning, MN 56551; 218-583-2927; Email [dwaneke@henning.k12.mn.us](mailto:dwaneke@henning.k12.mn.us)

Please contact us for any additional information by email; [jnesland@fed.k12.mn.us](mailto:jnesland@fed.k12.mn.us) or by phone; 218-894-2439 Ext 1001.
